HIRING NOW!!

PSI WANTS GREAT

TEAM COORDINATORS
with Supervisory Mental Health Experience

2 Full-time Positions
Starting salary: $50,000+

Seeking candidates interested in supervising community support workers in our innovative community rehabilitation services clinic. If you enjoy the challenge of ensuring the services offered children and adults with chronic mental illness, we want to talk to you. You will lead staff in maintaining a caseload of consumers, helping them document and provide the full range of services that support out-patient community integration.

Qualifications:

Licensed as LICSW, LPC, Psychologist or Psychiatric RN in good standing in the District of Columbia. Must be able to work effectively under pressure to meet short deadlines. Must have demonstrated excellent crisis intervention, clinical recording, team building and staff development – coaching and counseling skills. Cultural competence in meeting the needs of persons served and staff.

Contact Monica Dash at (301) 654-3903 to schedule an interview.

EXCELLENT BENEFITS AND OPPORTUNITIES FOR ADVANCEMENT!!!

401k plan, medical, dental, life insurance, long term disability, etc.

PSI WANTS GREAT

D.C. LICENSED MENTAL HEALTH THERAPISTS
(Consultants – Full Time with Flexible Hours)

COULD THIS BE YOU??????

PSI Services, Inc. is a leading health and human services agency that provides sophisticated services, training, and treatment to individual and families dealing with the challenges of mental illness, developmental disabilities, abuse and neglect. PSI takes its trade name from the Greek letter “PSI”, the professional symbol for psychology.

IMMEDIATE JOB OPENINGS!!!

PSI SERVICES, INC., a DC-based human services company is currently seeking energetic and dedicated applicants for our positions at our District of Columbia clinic.

Mental Health Therapists serve as members of the clinical team for one or more PSI mental health programs. They perform annual diagnostic assessments and functional assessments to determine diagnosis and treatment recommendations. The Mental Health Therapists may write individual treatment plans, behavior support plans, and individual recovery plans for persons referred. They maintain a caseload and provide individual, group and family therapy in our clinic.

Qualifications:

D.C. Licensed Clinical Social Worker, Psychologist, or Professional Counselor in good standing. Cultural competence and sensitivity to the needs of children and adults with chronic mental illness.

WE OFFER VOLUNTARY TAX WITHHOLDING AND HEALTH BENEFITS PLANS FOR CONSULTANTS.

Program Director – Day Programs
1 Full-time position
Starting salary: $80,000+

The Program Director is the senior position in the PSI day programs. The Director has the overall responsibility for the administration of all Day Programs for children and adults with developmental disabilities and/or psychiatric diagnoses. The Director works closely with regulatory agencies to ensure the quality of services and adherence to policies. The Director provides daily leadership to staff, conducting daily rounds of all day treatment programs and supervising senior program staff. The Program Director recommends and installs new and improved services, and leads on-the-job training, coaching and counseling for direct care staff.

Qualifications:

Master’s or Doctoral Degree in Administration, Special Education, Vocational Rehabilitation or related field. Excellent supervisory experience leading interdisciplinary habilitation and training staff. Demonstrated skill as a dynamic leader and creative problem solver. Able to work effectively to meet short deadlines. Cultural competence and sensitivity to consumers, staff, and other stakeholders.
